OFFICE MEMORANDUM**NO.PAR/PIMS-18/2019/167::****Dated Kohima, the 25th February, 2025.****ONLINE PROCEDURE FOR APPLICATION FOR PIMS BASED GOVERNMENT IDENTITY CARDS**

In partial supersession of this Department OM NO.PAR/PIMS-18/2019 dated the 4th November, 2022, it is conveyed that the procedure for application for Government Identity Card is now fully online and can be accessed through the following url:

- i. <https://govtid.nagaland.gov.in>

Access to the website can also be made through these urls:

- i. <https://dpar.nagaland.gov.in>
- ii. <https://services.nagaland.gov.in>

A. Application process

1. All Government employees and pensioners can apply for their Government Identity Card from this website by registering with their **PIMS Number**. The registration has to be done through a One Time Password (OTP) with the Government employee's mobile number which is linked with their Aadhaar and Salary Bank Account. Once registered, click 'Apply' and fill up the following details for the Identity Card to be generated:

- i. Identification mark
- ii. Blood group
- iii. Mother's name
- iv. Photograph
- v. Email
- vi. PPO number and scanned copy of the front page (for Pensioners)

2. For photo submission, choose the file to be uploaded, drag and resize the photo to the box given, select "Crop and Save", then select 'Submit'. Please note that the photo requirements are listed in this Department's OM NO.PAR/PIMS-18/2019 dated Kohima, the 4th November, 2022 which are reiterated below for ready reference:

- i. Photo must be in colour
- ii. There must be no shadows
- iii. Taken within the last 3 months
- iv. No spectacles unless medically required
- v. Must be facing the camera directly
- vi. Please ensure that a high resolution photo is uploaded

3. Details of Full Name, Employee Code, Father's Name, Designation, Gender, Office address and Department are auto-populated from PIMS. If any corrections in these details are required, the concerned Government employee shall first apply for correction in PIMS from their Department before applying for the Identity Card.

4. Once the details are correct and duly filled up, select 'Edit' for any corrections to be made. If finalised, proceed to making online payment through any of the payment modes, viz., UPI, Net Banking, Debit/Credit Card or eWallet.

5. Once the payment is made, the PIMS Cell, P&AR Department shall scrutinize the application and issue the Identity Card which shall be notified to the concerned Departmental Nodal officer in the website through the respective departmental logins.

B. Pensioners

6. For pensioners who do not have a PIMS number, they can apply for PIMS through the Nodal Officer of the Department from which they had retired. Once the PIMS number is generated they may apply as delineated at Section 'A' above.

C. Monitoring and distribution

7. The status of all applications for a particular Department can be accessed by the concerned Departmental Nodal Officer who will have their own login account in the website <https://govtid.nagaland.gov.in>.
8. The login credentials for the Departments can be obtained from PIMS Cell, P&AR Department. Safeguarding and maintaining the confidentiality of the login credentials shall be the sole responsibility of the Nodal Officer.
9. Once the card is printed, the respective Departmental Nodal Officer will be notified in the website in their departmental Dashboard. Thereafter, it is the responsibility of the Departmental Nodal Officer to collect the printed ID card from P&AR Department and deliver to the employee.
10. The employee can check the status of their application from their respective login and contact the Departmental Nodal Officer for card delivery.

D. Nodal Officer

11. The Departmental Nodal Officer for PIMS shall also be the Nodal Officer for online issue of Identity Cards under this OM.
12. The list of Nodal Officers and their contact details can be found in the website. If the Nodal Officer is changed, the Department are to promptly inform P&AR for updating in the website. Departments that do not have their Nodal Officers listed in the website should submit their names and contact numbers to P&AR Department within 10 (ten) days of issue of this OM.

E. Payment, refund & grievance redress

13. The Identity Card will be issued at Rs.100 (Rupees One Hundred) only.
14. There shall be no refund for cases where the Government employee has applied for a card and found that the details are wrong on delivery as all details have been made available to the employee to verify before finalising payment.
15. In cases where there is a payment failure/error, the Government employee can submit an application, through the Nodal Officer, for refund with documentary proof of the amount deducted to P&AR Department addressed to the Under Secretary, P&AR Department. Any other grievances may be routed through the Nodal Officer to P&AR Department for redress.

F. Re-issue

16. A Government employee can apply for reissue of a Government Identity Card only up to 3 (three) times in a year on promotion/transfer/case of loss. When an Identity Card is lost, they have to submit copy of the FIR lodged for the Identity Card to be re-issued.

G. Authentication and verification

17. Verifying authorities may note that the Government Identity Card will have a QR code which can be scanned by concerned authorities to verify that the employee is holding a valid and current Identity Card. On re-issue of a card, the previous card will be deactivated for verification purpose & no verification link will be generated after a period of 30 days.

NOTIFICATION**Dated Kohima, the 18th March, 2025.**

NO.LAB-46/5/2015-16(Vol-III)/682: In continuation with the Ministry D.O. letter No.Z-13025/39/2015-LR Cell dated 4th June, 2018 and D.O. No.Z-13025/39/2015-LRC-Part(1) dated 16th July, 2024 in regard to Startup India action plan for promoting the startup ecosystem in the country to incentivize the entrepreneurs in setting up new startup venture for creation of employment opportunity through them, and in continuation to this department's Notification No.LAB-46/5/2015-16 (Vol-I) dated 9th May, 2019, the Governor of Nagaland is pleased to further exempt from inspection under the following Labour Laws/Acts for 5 (five) years such ventures whose annual turnover is not exceeding Rs. 25.00 crores (Rupees twenty five crores) only in any preceding financial year and working towards innovation development, deployment or commercialization of the product, processes or services driven by the technology or intellectual property. However, inspections may be taken up only when credible and verifiable complaints of violations are filed in writing and the approval has been obtained from at least one level senior to the inspection officer or from the Central Analysis and Intelligence Unit (CAIU) as the case may be.

In this regard, it is clarified that to comply with Labour Laws and to regulate the Labour Laws Inspection System in case of Start-Ups, self-certified compliance for five years is hereby made applicable.

The exempted Labour Laws are given below:

1. The Industrial Disputes Act, 1947
2. The Trade Unions Act, 1926
3. The Industrial Employment (Standing Orders) Act, 1946

This will come into force with immediate effect.

NOTIFICATION**Dated Kohima, the 6th March, 2025.**

NO.ST/8-16/11/409 :: The Governor of Nagaland is pleased to notify the Nagaland State Data Sharing and Accessibility Policy, 2024 to provide an enabling platform for providing proactive and open access to data generated through public fund available with various Government of Nagaland Departments and institutions with immediate effect.

This has the approval of the Cabinet vide No. CAB-1/14/2023 dated 9th October, 2024.

Sd/-
K. LIBANTHUNG PATTON
Deputy Secretary to the Govt. of Nagaland.

**GOVERNMENT OF NAGALAND
SCIENCE & TECHNOLOGY DEPARTMENT**

Nagaland State Data Sharing and Accessibility Policy

1.0. PREAMBLE:

The Government of Nagaland
embark upon establishment of
“Nagaland Spatial Data Infrastructure (NSDI)”,
in the line of National Spatial Data Infrastructure(NSDI)”
created vide SMP/25/003/05 Dated 13th June, 2006
of Department of Science & Technology, Government of India
recognising the potential utility of large quantity of data generated using public
funding through various government departments/organisations/institutes;
for planning and development.

The data sharing and accessibility shall be based on the principles of:
Non Redundancy, Openness, Flexibility Standards, Interoperability, Quality, Efficiency, Accountability, Intellectual Property Right (IPR) and Right to

Information.

The Government of Nagaland hereby adopt
the “Nagaland State Data Sharing and Accessibility Policy (NSDP)”
to facilitate easy access and sharing of such Government owned data,
in open format for good governance.

DEFINITIONS:

1. **Data:** A representation of information, numerical compilations and observations, documents, facts, maps, images, charts, tables and figures, concepts in digital and / or analog form like ground, aerial, satellite, etc.
2. **Data Archive:** A place where machine-readable data are acquired, manipulated, documented and distributed to others for further analysis and consumption.
3. **Data Generation:** It may be categorized into primary data acquisition, satellite and aerial by designated agencies and secondary data collection under the same specification (refers to modification or addition to the primary/initial data sets) through ground survey/data acquisition.
4. **Dataset:** A named collection of logically related features including processed data or information.
5. **Geospatial Data:** All data which is geographically referenced.
6. **Information:** Processed data.
7. **Metadata:** The information that describes the data source and the time, place and conditions under which the data were created. Metadata informs the user of who, when, what, where, why and how data were generated. Metadata allows the data to be traced to a known origin and known quality.
8. **Non shareable (negative) Data:** The data designated by departments which cannot be shared.
9. **Restricted Data:** Data which are accessible only through a prescribed process of registration and authorization by respective departments/ organizations.
10. **Sensitive Data:** Sensitive Data as defined in various Acts and Rules of the Government of India.
11. **Shareable Data:** Those data not covered under the scope of non shareable list.
12. **Standards:** Any application that embeds data handling functions (e.g., data collection, management, transfer, integration, publication etc.) and operates on data in a manner that complies with data format and data syntax specifications produced and maintained by open, standards bodies. Standards are technical documents that detail interfaces or encodings.
13. **Cloud Technology:** Internet based computing in which large groups of configurable remote servers are networked to allow sharing of centralized data storage, data processing tasks and on-demand access to computing resources.

2.0. NEED FOR NAGALAND STATE DATA POLICY:

Any planning for development activity relies on quality data. And there is a general need to evolve a protocol to facilitate easy accessibility and sharing for effective utilisation of the large amount of data generated and stored in different government departments and organisations in different formats. There is a need for both independent dedicated data enterprise system in different Government departments as well as need to share critical and relevant information across the Departments with a central repository to make integrated data set available for informed decision making. This calls for adoption of a data policy in the state which conceptualizes provisions

for proper data management methods, defining data standards and processes for providing proactive and open access to such data.

Hence, the Nagaland State Data Sharing and Accessibility Policy aim to provide an enabling platform for providing proactive and open access to data generated through public fund available with various Government of Nagaland Departments and institutions.

3.0. OBJECTIVES:

The objective of Nagaland State Data Policy is to facilitate data availability and easy access to updated information and data generated in both human readable and digital format through a electronic network within the framework of various Policies, Acts and Rules of Government of India and Government of Nagaland.

4.0. SCOPE OF THE POLICY:

The “Nagaland State Data Policy” shall apply to all data and information created, generated, collected and achieved using public funds provided by Government of Nagaland, Central Government funds and also International donor organizations, directly or through authorized agencies by various Departments/ Organizations/Agencies and Autonomous bodies of the Nagaland State.

5.0. BENEFITS OF STATE DATA POLICY:

The entailed benefits of Nagaland State Data Policy are as follow:

- 5.1 Maximizing use: Ready access to Government owned data using valuable public resource will enable more extensive use of data generated for the benefit of the citizens of the State.
- 5.2 Avoiding data redundancy: By sharing data the practice of different State Government department/organizations collecting the same data will be avoided, resulting in significant savings in data costs and time.
- 5.3 Open information on data ownership: The preparation of data catalogue/metadata (data about data) by each Government Department will identify the ownership of the principal datasets (or mapping of data sets) to users and enable information about available datasets.
- 5.4 Maximized integration: By adopting open standards for creation, generation, storage and transformation the data can be made interoperable making integration of individual datasets feasible for holistic planning.
- 5.5 Decision Support Systems Generation: Timely availability of reliable interoperable data and information will facilitate in building/developing effective decision support systems needed in development planning, managing assets, improving socio-economic conditions, controlling and managing disasters, strengthening/hardening internal security of the State etc.
- 5.6 Equity of access: A more open and transparent data policy will ensure better access of data and information to all bona fide users in the State.

6.0. DATA CLASSIFICATION:

Different types of data sets generated both in spatial and non-spatial form, are held by different departments.

The non-spatial data, is mostly produced by a statistical system consists of derived statistics, i.e. crop yield and acreage by Directorate of Economics and Statistics, databases from census and surveys. The geospatial data, however, primarily consists of satellite images, aerial photos, topographic maps, thematic maps, maps generated through GIS analysis, GPS/DGPS derived maps, ground based layers also and crowd sourced data. In such a system, it becomes important to maintain standards in respect of metadata, data formats and access policy along with linking to its attribute data. All other Government Departments also have large data which will be made available on the public domain through website.

7.0. TYPES OF DATA ACCESS:

It would be incumbent upon all the Government Departments to allow access to and sharing of all the data generated by them using government fund, subject to following data access structure:

- 7.1 Open Access: Access to data generated from public funding should be easy, timely, user friendly and web based without any process of registration/ authorization.
- 7.2 Registered Access: Datasets which are accessible only through a prescribed process of registration/ authorization by respective departments/ organizations will be available to the recognized institutions/ organization/ public users, through defined procedures.
- 7.3 Restricted Access: Data declared as restricted under Government of India/Government of Nagaland relevant policies will be accessible only through proper authorization.

All Departments will prepare and publish on their website the list of all data held by them. Further, any data designated as non-shareable (negative data) must be notified and published separately on their website within three months of notification of State Data Policy. However, such classification of non-shareable data would be subject to the approval by the State Level Steering Committee and also to be periodically reviewed by the State Level Steering Committee.

All the spatial data would be stored in the open. WGS-84 datum with WGS-84 spheroid format along with all its attribute data to facilitate easy access and sharing of such data.

It would be incumbent upon all the concerned Departments to maintain and update and standardize such data in a periodic manner to facilitate easy and uninterrupted access to these data by all the Government Departments and bona fide users as per the conditions laid down under the data policy.

8.0. PRICING:

The data policy enjoins upon mandatory sharing of all sharable data by the Government Departments. Pricing of data, mostly arising out of value addition to the existing data, if any, will be decided by the respective data owner department in a rational manner and as per Government of Nagaland/Government of India policies. All Departments will form a Data Dissemination Cell (DDC) for sharing and publishing data on to the web portal. All Departments will upload the pricing of data under registered and restricted access within three months of notification of the policy, subject to approval of the pricing by the State Level Steering Committee. A broad set of parameters would be standardized and provided as guidelines for the use of data owners.

9.0. LEGAL FRAMEWORK:

Data and information will remain property of the concerned Department /Organization/ Agencies/Autonomous bodies which collected them and reside in their IT enabled facility for sharing and providing access. Access to data and information under this policy will not be in violation of any Act and Rules of Government of Nagaland and Government of India. Legal framework of this policy will be within the various Acts and Rules of Government of India and Government of Nagaland covering the data. Any data acquired from the Government Departments would not be used or its interpretation in pursuing legal proceedings of any kind in the Court of law under any legal prosecution.

Further, any data sharing with Central Agencies and other Organisations has to be done through an MOU whereby a provision to allow the State to make use of its own data for planning, development and monitoring purposes.

10.0. SHARING AND ACCESS PROTOCOLS:

To facilitate easy access and sharing of data, a State of the art data warehouse, data archive with Online Analytical Processing (OLAP) capabilities and Open Application Protocol Interface is needed. To cater this need and for appropriate/uniform management of non-spatial/geospatial data contents of all the Departments, Nagaland Spatial Data Infrastructure (Nagaland-SDI) would be formed. The Nagaland Spatial Data Infrastructure would be the integrated repository of data of various Departments/ Organizations/ Agencies/ Autonomous bodies as a part of State service delivery gateway. The utilities of Nagaland Data Centre and Nagaland State Wide Area Network (NSWAN) will be the basis of achieving the mandated objectives of the policy. The

main features of the data warehouse would include. (a) User friendly interface. (b) Dynamic/ Pull down menus. (c) Complete Metadata (d) Search based Report. (e) Cyber secured web access (f) Bulletin board (g) Parametric and Dynamic report in exportable format.

IMPLEMENTATION MECHANISM:

- a. All State Government Departments will store their datasets at State Data Centre as a backup storage.
- b. The Department of Science and Technology, Government of Nagaland shall be the Nodal Department and Nagaland Science & Technology Council, Department of Science & Technology will be the Nodal Agency for implementation of this policy.
- c. A “State Data Steering Committee (SDSC)” for taking up policy level issues will be constituted under the chairmanship of the Chief Secretary to Government of Nagaland with Chairman, Nagaland Science and Technology Council (NASTEC) as the Member Secretary, comprising of Secretary rank officials of the State Government, experts having experience and qualifications in the field of RS/GIS & IT as well as representatives from industries and intelligentsia.
- d. A “State Data Executive Committee (SDEC)” under the Chairmanship of Secretary, Science & Technology Department with Principal Investigator of the Project, Nagaland Science and Technology Council (NASTEC) as the Member Secretary, and officials from Government Departments and experts from RS/GIS/IT and industries as members will be constituted to facilitate day to day issues in implementation of mandates of Nagaland State Data Policy.
- e. A dedicated Project Management Unit (PMU) would be formed to assist the SDEC. The PMU is to carry out various activities relating to data standardization, interoperability and sharing, to manage the open government data forum and to provide technical advice and hand holding support to Departments with respect to preparation of datasets, contribution of datasets, explanation of metadata and technically, data provenance, feedback management, etc. keeping ownership (through digital signature) and access/operational information tagged with each stage of publishing data. The PMU will create action plan for regular release of datasets on the data portal and will monitor and manage the open data programme of the departments as per NSDP. The PMU is to be constituted by scientists from NASTEC and IT specialists from Nagaland IT&C Department, NRS&GIS Centre & State Data Centre.
- f. All Departments would form a Data Dissemination Cell for sharing, publishing and standardization of their data. Any recommendation of the Committees shall be put to SDEC through the PMU.
- g. All sharable standard databases will be made available on as-is-where-is basis.
- h. All the spatial data would be standardized in an open, standard and interoperable format in due course.

- i. Detailed implementation guidelines including the technology, standards and quality checking of data and metadata and it's sharing with the Government Departments and bona fide users would be brought out by NASTEC, Department of Science & Technology in coordination with Dept. of Information & Technology, Government of Nagaland and Nagaland Remote Sensing & GIS Centre, Department of Planning & Coordination, Government of Nagaland.
- j. All the data users who are accessing/ using the data shall acknowledge the owner Departments/ Organizations/ Agencies/ Autonomous bodies in all forms of publications.
- k. All Departments/ Organizations/ Agencies/ Autonomous bodies will upload all the data and information available with them with guidance to its access and sharing on their portal/website and the State Service Delivery Gateway/ State portal within three months of the notification of the policy. The SDSC will be the final authority to decide the classification of data into open, registered and restricted categories, apart from declaration of any non-sharable (negative) data.
- l. Nagaland Spatial Data Infrastructure (NSDI) in future will have the metadata and will be accessed from the portals of the owner departments. The citizen centric application software of Government, cadastral level spatial and non spatial information, National Population Register census ,Aadhar, National Sample Survey Organisation and all other relevant software operating in the Government framework will be linked to Nagaland geoportal. The geoportal will have a citizen centric user interface for public. The contents of Nagaland geoportal will be enriched through crowd sourcing technique.
- m. Uniform names for all types of administrative units and natural units would be adopted using the standard codes adopted by Government of Nagaland for updation of the contents of Nagaland geoportal.
- n. Nagaland geoportal is to be the repository of all non-spatial and spatial database, its metadata and associated non-spatial data of the State. It will be established at State Data Centre (SDC), Department of Information Technology & Communication, Government of Nagaland having linkages with the SDC as the bandwidth, gateway to internet, infrastructure facility, security enabling devices like firewall, IPSEC, IDS, etc. are already available at its site.
- o. Under Nagaland geoportal, all the spatial data, non-spatial data and metadata will be stored in the standard database format in the GIS server at SDC and the database of Government Departments will be available in their own GIS servers. The GIS servers of Government departments will be connected to the GIS server of NSDI through Nagaland State Wide Area Network (NSWAN) and there will be a compliant data sharing mechanism for flow of data to users through NSDI in a common format. An Automated mechanism of software will be in place for mapping and integrating heterogeneous spatial data sets into common formats. Thus physical transfer data will be avoided.
- p. High performance and reliable communication networks like SANS, Wireless networks(e.g. Wi-Fi, WiMAX, sensor networks, etc.) and data intensive computing technologies like cloud computing, Big Data, open source technology

and Internet of Things(IOT) will be utilized in creating data repository, efficient data handling and delivery as and when available in due course.

- q. All metadata will follow standards and will minimally contain adequate information on proper citation, access, contact information and discovery. Complete information including methods, structure, semantics and quality control/ assurance is expected for most datasets.
- r. Metadata relating to geospatial datasets would contain information on scale, projection, datum, resolution and date of acquisition of sources like satellite image/ aerial photos, etc.
- s. Government will design and position a suitable budgetary incentive system for data owners for increasing open access to the shareable data.
- t. The Departments will take care that the software used in creating and generating geospatial data and information in future need to comply Open Geospatial Consortium (OGC) standards.
- u. It will be ensured that inter connectivity of all the departments be made through NSWAN.
- v. The State Data Centre (SDC) will be used by Departments for hosting their data as well as citizen centric and other e-Governance applications.
- w. It would be incumbent upon all the Government Departments/ and its Agencies to utilize the geospatial data sets for coordinated planning, management and delivery of the various services rendered as a part of their administrative and statutory functions.

11.0. BUDGET PROVISIONS:

The implementation of Nagaland State Data Policy is expected to entail expenditures for both data owners and data managers for data conversion, data refinement, data storage, quality upgradation, etc.

Appropriate budgetary provisions and support for data management for each department/organization would be made by the State Government.

The Annual Maintenance Cost (AMC) for SDI shall be borne by Government of Nagaland which shall be allocated to NASTEC every financial year.

The Policy shall not create additional financial burden on the State Government. Hence, the existing manpower from NASTEC should take care of the management and running of the SDI Centre till such time the concurrence of the State Government and the Finance Department for creation of manpower is specifically made for the Centre.

12.0. CONSTITUTION OF COMMITTEES:

12.1. STATE DATA STEERING COMMITTEE (SDSC): To oversee the implementation and coordination between various Government Departments and to promote and coordinate access to and sharing of non-spatial and spatial data in the State and its efficient application in planning process, the State Data Steering Committee (SDSC) is constituted with the following members.

Sl. No.	Members	Designation
1	Chief Secretary to Government of Nagaland	Chairman
2	Addl. Chief Secretary and Development Commissioner, Government of Nagaland	Member
3	Addl. Chief Secretary and Finance Commissioner, Government of Nagaland	Member
4	Principal Secretary, Department of Environment, Forest and Climate Change, Government of Nagaland	Member
5	Commissioner & Secretary, Department of Soil & Water Conservation, Government of Nagaland	
6	Commissioner & Secretary, Department of Urban Development, Government of Nagaland	Member
7	Commissioner & Secretary, Department of Information Technology & Communication, Government of Nagaland	Member
8	Commissioner & Secretary, Nagaland Disaster Management Authority , Government of Nagaland	Member
9	Commissioner & Secretary, Department of Geology and Mining, Government of Nagaland	Member
10	Chief Executive Officer, National Spatial Data Infrastructure, Government of India.	Member
11	Secretary, Department of Rural Development, Government of Nagaland	Member
12	Principal Secretary, Department of Education, Government of Nagaland	Member

14	Secretary, Department of Land Resources, Government of Nagaland	Member
15	Secretary, Department of Land Revenues, Government of Nagaland	Member
16	Secretary, Dept. of Economics & Statistics, Government of Nagaland	Member
17	Secretary, Department of Water Resources, Government of Nagaland	Member
18	Secretary, Department of Agriculture, Government of Nagaland	Member
19	Secretary, Census Department, Government of Nagaland	Member
20	Representative from Geo-Spatial Industry	Member
21	Representative from Department of Space, GoI	Member
22	Principal Investigator of Nagaland SDI Project from NASTEC	Member
23	Commissioner & Secretary, Department of Science and Technology , Government of Nagaland & Chairman, Nagaland Science and Technology Council	Member Secretary

12.2. STATE DATA TECHNICAL COMMITTEE: To oversee the implementation of the SDI, data standardisation the State Data Technical Committee is constituted with the following members:

Sl. No.	Members	Designation
1	Commissioner & Secretary, Department of Science and Technology , Government of Nagaland & Chairman, Nagaland Science and Technology Council	Chairman
Experts/Officers from the following Departments/Organisations		
2	National Spatial Data Infrastructure, Government of India.	Member
3	Department of Land Revenues, Government of Nagaland	Member
4	Representative from Department of Space, GoI	Member
5	Nagaland Remote Sensing & GIS Centre, Planning Department	Member
6	Principal Investigator of Nagaland SDI Project from NASTEC	Member Secretary

13.0. CONCLUSION:

The State Data Sharing and Accessibility policy is formulated in the interest of the people of the state. The policy will allow and promote inter governmental departments data sharing and other stakeholders including the common citizen thus enhancing the data utility and usage in the planning process of the state. The State Data Policy will provide scope for better decision making and data interoperability among the various stakeholders.

Under this Policy, the Government of Nagaland will develop a common platform for data sharing and accessibility.

The objectives and scope of this policy can be enhanced as per the requirement in the future.

NOTIFICATION

KHRUOHITUONUO RIO

Secretary In-Charge
Nagaland Legislative Assembly
Secretariat: Kohima

THE NAGALAND APPROPRIATION (NO. 3) BILL, 2025**A
BILL**

To authorise payment and appropriation of certain sums from and out of the Consolidated Fund of the State of Nagaland to the services of the year ending on the thirty first day of March, 2026.

Be it hereby enacted by the Nagaland Legislative Assembly in the Seventy Sixth year of the Republic of India as follows.

Short Title and Commencement

**Withdrawal of
₹ 24699,00,83,000/-
(Rupees twenty four
thousand six hundred
ninety nine crore
eighty three
thousand only) from
and out of the
Consolidated Fund of
the State of Nagaland
for the Financial year
2025-26.**

Appropriation

1. This Act may be called the **Nagaland Appropriation (No. 3) Act, 2025**.

From and out of the Consolidated Fund of the State of Nagaland there may be paid and applied sums not exceeding those specified in column (5) of the Schedule amounting in the aggregate to the sum of **₹ 24699,00,83,000/- (Rupees twenty four thousand six hundred ninety nine crore eighty three thousand only)** towards defraying the several charges which will come in course of payment during the year ending on the thirty first day of March, 2026 in respect of services specified in column (1) of the Schedule.

3. The sums authorised to be paid and applied from and out of the Consolidated Fund of the State of Nagaland by this Act shall be appropriated for the services and purpose expressed in the Schedule in relation to the year ending on the thirty first day of March, 2026.
